- b. All problems or issues concerning your team or division must be addressed to your division Commissioner. Issues that cannot be resolved by Commissioner will be elevated to the Baseball/Softball President and board as necessary. Complaints and concerns should be in writing and must be given to your division's commissioner. Any petition that has not gone through the appropriate commissioner will be rejected.
- c. If the NAO Baseball/Softball board rules on a matter, the Director of Youth Activities, Baseball/Softball President and Division Commissioner must all agree in order for the matter to be brought back before the Board.
- d. NAO will follow all PONY Baseball rules related to bat specifications. Coaches are expected to know and abide by these rules. Any bat that does not meet PONY specifications will be removed from play immediately and both teams warned. If an illegal bat is discovered after a warning has been issued, the coach of that team will be ejected.
- e. The North Austin Optimist (NAO) name and/or logo cannot be duplicated or used without prior Baseball/Softball Board approval.
- f. Smoking within the complex is only allowed at the back gate, or in the parking lot.
- g. Definitions of penalties:
 - i. **Coach's Ejection Penalty**: Any NAO coach who is ejected from a game at NAO or while visiting another field is temporarily suspended from coaching until the circumstances of their ejection is reviewed by the NAO Baseball/Softball Board. If the Baseball/Softball Board is unable to meet in a timely fashion (e.g. before the coach's next game), the Baseball/Softball President and Youth Activities Director will review the

case, meet with the coach, and determine how best to proceed. The ejected coach will not have contact with their team of any kind during the game(s) from which they are suspended.

If a coach from another park is ejected, the umpire should stop time, get a board member over to the field to assess the situation and determine if the coach can remain in the park or not for the remainder of the day. The coach's league should be notified of any ejections that occur at our park. After any ejection, a meeting with the umpire(s) on duty and the board should be held to determine if that coach is allowed back or future games.

- ii. **Player's Ejection Penalty**: Any player who is ejected from a game at either our fields or while visiting another field, will be suspended for the rest of that game.
 - iii. **Suspended Coach/Player**: Any suspended coach or player will not have contact with their team of any kind during games. This includes electronic devices. Any coach or player doing so will be dismissed for the remaining season.
 - iv. **Dismissed Coach**: A dismissed coach will have no coaching responsibilities whatsoever.
- h. The Baseball/Softball Board shall have the authority to suspend, discharge, or otherwise discipline any player, manager, coach, umpire, league officer or other person whose conduct is in violation of the Rules and Regulations of PONY Baseball and North Austin Optimist and/or is considered detrimental to the best interests of the league.
- i. Persons subject to such discipline shall have the right to a hearing before the Baseball/Softball Board before such discipline is imposed.
 - ii. In the event of such a hearing involving a player, or other person under the age of 18, that person's parents shall be invited to attend.
 - iii. Before any action is taken an emergency Baseball Board meeting must be called in writing with three signatures in approval. Three days notice must be given to all parties involved and all Baseball/Softball Board members.

2. COACH'S APPLICATION PROCESS

- a. All potential head and/or assistant coaches must be at least 18 years of age and complete an NAO Coach's Application Form. Incomplete applications will not be considered. All coaches must pay the \$10 application fee by draft day of the season in which they are coaching.
- b. The current Baseball/Softball Board will review and either approve or deny the coach applications. Applicants can be denied for any reason that is in the best interest of the organization.
- c. Once the application has been approved, to ensure that potential coaches meet basic established guidelines, the Optimist Club of North Austin will perform a criminal history background check. Anyone not meeting the basic guidelines will not be approved. The Baseball/Softball President will relay the ineligibility to the applicant.
- d. NAO head coaches are volunteers, but will be selected based on their dedication, communication skills, and experience/knowledge of the game.
- e. If two or more coaches are candidates for the same head coaching position, the Baseball/Softball Board will determine the head coach.
- f. In the event that there are more teams than coaches, parents and/or relatives may be asked to volunteer and coach a team but must go through the same process as all coaches do as mentioned above.

3. COACH/PLAYER CONDUCT

- a. Swearing and abusive language is strictly prohibited.

Teams in 10U Mustang through 14U Pony may have three coaches, one team representative and one scorekeeper. If a coach needs special accommodation, an assistant may be added to the team if the Baseball/Softball Board approves.
- b. Once the assistant coaches have been established no coaching personnel changes can be made without prior NAO Baseball/Softball Board approval.
- c. Only the head and assistant coaches may be in the dugouts or on the playing field during scheduled games.
- d. Only the head coach or an appointed assistant coach may act on behalf of the team during games.
- e. No rulebooks will be allowed to be carried onto the playing field during a game. The rulebook will only be allowed in the dugout.
- f. All coaches are required to attend the NAO Coach's meeting where they will be given information on the 2024 Baseball Season. All the house rules will be covered word for word. There will be a sign-in sheet for coaches to sign at the meeting. If no coaches are able to make the meeting, they should have a meeting with their division Commissioner or Baseball/Softball President in order to go over the house rules for that year.
- g. Head coaches must attend all Coaches meetings called by the Baseball/Softball Board. Because of their importance, if the head coach is unable to attend then an assistant coach from that team must attend in place of the head coach. Failure to have a coach at the meeting(s) will result in a one game suspension of the violating team's head coach.
- h. The head coach must notify their division Commissioner and/or an NAO Baseball/Softball Board member of any injuries to players which requires medical attention while playing or practicing baseball/softball for NAO within one day (24 hours) of said injury. Any coach failing to do so will have to appear before the Baseball/Softball Board.
- i. The NAO Baseball/Softball Board does not allow coaches or team representatives to accept contributions of any kind (monetary, uniforms or equipment) for any regular season team or organization without prior approval. The NAO Baseball/Softball Board must approve and record any and all contributions made to the team or organization. The head coach of the violating

team will be suspended, pending review by the NAO Baseball/Softball Board. All-Star teams are allowed to hold fundraisers or accept contributions specifically for their team of that same year. Funds or contributions raised in this manner must be submitted to the NAO Baseball/Softball Board. The Baseball/Softball Board will reimburse the team up to the dollar amount raised. All expenses must be team related, equally distributed among all the players, and a receipt must be submitted for reimbursement. Any unused monies will be donated to the Baseball/Softball fund.

- j. All teams must get permission from their Commissioner prior to practicing or scrimmaging on NAO Baseball/Softball fields. Coaches who do not participate in field maintenance and preparation do not qualify for any practice time on NAO fields. Coaches are responsible for the field they play and practice on as well as the surrounding area (bleachers, cages., etc.).
- k. Teams may meet for practices and/or games up to 4 days but not more than 7 hours per week.
- l. No practice is allowed in the complex during any tournaments without prior approval of the Baseball/Softball Board.

5. TEAM FORMATION

- a. NAO is a recreational league designed to give every child an opportunity to play within his or her age and ability level.
- b. Only players registered through NAO will be covered under the NAO insurance policy.
- c. Coaches may protect up to 7 players, including their own child(ren) as well as the children of their assistant coaches (if the assistants are known by draft day). A list of protected players must be in the Wednesday prior to the draft on Saturday. All other players will go in draft. Coaches that do not have a child in the division they are coaching may protect a relative or child(ren) of a significant other not living with them instead.
- d. Registered players must try out and enter a player draft. Players that miss tryouts will be assigned to a team via player draft rotation.
- e. Tryouts will be held if necessary, on a date to be determined by the Baseball/Softball Board. The subsequent draft will be presided over by the Baseball/Softball President, Division Commissioners and Player Agent, or other Baseball/Softball Board members designated by the Baseball/Softball President.

- 
- f. Upon the conclusion of tryouts only the head coach from each team in each division will be allowed to attend the player draft for that division. If a head coach is unable to attend the player draft, an assistant coach may select players for that team instead. If no coaches from a team attend the draft, the Baseball/Softball President or Commissioner for that division will represent the absent team. If this occurs there will be no arguments from the absent coach about the players selected. If a head coach does not like the team selected, that coach may resign his position and let one of the assistant coaches take the team.
 - g. Each head coach will draw a number to determine the order of draft picks. If a team already has players on the roster due to protected players, the team with the fewest players will pick first and will keep picking until that team is equal in number of players, and then the draft pick rotation will be enforced.
 - h. The draft rotation will be determined randomly, but in the event roster space is limited, players will be prioritized based on when they registered.
 - i. Only the Player Agent and Baseball/Softball President will be allowed to know the order of rotation and shall not divulge that information to anyone.
 - j. Head coaches may trade players once the player draft is complete, but trades will not be official until approved by the Player Agent. No trades or team transfers will be allowed after the following Monday.
 - k. Team size will be limited to thirteen players per team maximum for 8U Pinto through 14U Pony, and fourteen players per team maximum for 6U Shetland and Softball. Any changes to team rosters once the season begins must be approved by the Player Agent.

6. ALL-STARS

- b. The Baseball/Softball Board will select all-star head coaches for each division. Coaches that have no interest in being considered for all-stars must inform the Baseball/Softball President at their respective draft.
- c. The Baseball/Softball Board will determine the selection process for all-star teams and work with selected coaches to come up with the most appropriate process given the circumstances at the time.

- d. If an all-star coach quits after teams have been selected, the NAO Baseball/Softball Board will select a replacement from the pool of eligible regular season coaches.
- e. Head all-star coaches will get one open pick at the end of the all-star draft.

7. SCHEDULES/GAMES

- c. No one except for players, coaches and umpires will be allowed on the field or in the dugouts during games.
- d. The Director of Youth Activities, Baseball/Softball President, an appointed Field Commissioner person or head umpire may declare the playing field unsuitable for play due to weather conditions. Cancellations of games due to weather should be decided by 5:15pm that day.
- e. All rain outs will be rescheduled at the earliest date available as provided by the scheduler. If it rains again on the rescheduled date/time, the game will be considered a tie.
- f. Coaches CANNOT set their own games schedules. Failure to play a scheduled game will result in a forfeit.
